Proverbs 8:22-36

Call to the Word

Psa 119:33-40

introduction

introduction

“Who Can Become a Life Coach?
Anyone. That Might Be the Problem”

“The single biggest reason most Life Coaches fail is because they lack commitment – It's really hard to be a great coach without commitment.”

introduction

“Wisdom is the right use of knowledge (and truth). To know is not to be wise. Many men know a great deal and are all the greater fools for it. There is no fool so great a fool as a knowing fool. But to know how to use knowledge is to have wisdom.” (Spurgeon)

Pro 8:15-17

1Ki 3:7-13

"Intelligent design, as one sees it from a scientific point of view, seems to be quite real. This is a very special universe: it's remarkable that it came out just this way. If the laws of physics weren't just the way they are, we couldn't be here at all."

Plea for Our
Attention

Pro 8:32-36

“Wisdom is represented as having a school for the instruction of men; and seems to point out some of the most forward of her scholars coming, through their intense desire to learn... that they might hear every word that was uttered, and not lose one accent of the heavenly teaching. Blessed are such.” (Clarke)

Jer 29:13 And you will seek Me and find Me when you search for Me with all your heart.

Plea for Our
Attention

Pro 8:32-36

“Not until we have become humble and teachable, standing in awe of God's holiness and sovereignty. Acknowledging our own littleness, distrusting our own thoughts, and willing to have our minds turned upside down, can divine wisdom become ours.” (J.I. Packer)
