Boundaries of Assyrian Empire over modern Middle East

The background is a collage of torn, textured paper in various shades of brown, orange, and olive green. In the top left corner, there is a scroll with a dark wooden handle. The scroll is unrolled, showing text written in a cursive script. The text is: "In that day Israel will be the third party with Egypt and Assyria, a blessing in the midst of the earth, whom the LORD of hosts has blessed."

*"In that day Israel will be the third party with Egypt and Assyria, a blessing in the midst of the earth, whom the LORD of hosts has blessed."*

A close-up photograph of a globe resting on a dark wooden surface. Several hands of different skin tones are placed on the globe, symbolizing global unity and prayer. The globe is tilted, showing the Americas. The text 'LET'S PRAY' is overlaid in large, bold, yellow-green letters on the left side of the image.
